ABOUT ME

Bilingual Front End developer & Full Stack Development student with 2+ years of experience and a passion for crafting impactful and effective digital experiences. Equipped with a diverse and promising skill-set. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

💼 EMPLOYMENT HISTORY

Jr. Front End Developer at Axyoma Global, Rosario
MARCH 2021 - PRESENT
• Effectively implement the front-end of diverse projects, utilizing a comprehensive skill set including HTML, CSS, JavaScript, Bootstrap and React.
• Successfully craft visually appealing, responsive and functional user interfaces to allow visitors on any device to have a perfect user experience.
• Proactively maintain, update and optimize diverse websites front-end, ensuring seamless functionality and responsiveness, both in HTML/CSS and WordPress based projects.
• Collaborate in decision-making processes that shape the technological stacks and workflows for various projects.
• Conduct manual testing in most complex projects and create bug reports identifying issues to deliver high-quality solutions.

Private English Lessons, Freelance, Rosario
2019 - 2020
• Developed lesson plans based on the students' experience, focusing on improving English language proficiency and fluency in speaking.
• Monitored students' progress and provided constructive feedback to guide their language learning journey effectively.

🎓 EDUCATION

Front End Specialist at Digital House - Scholarship
MAY 2021 - DECEMBER 2023
Full-stack Web Development carreer co-created by Digital House, Globant and Mercado Libre, with the aim to train young professional developers following the highest standards in the industry.
